DETOX WITH GOLDEN MOOR®

An integral component of the Detox plan. The plan includes drinking 1 oz of Nutrimoor liquid supplement in the morning before breakfast, closely following the included diet plan, and taking one each of three Detox System capsules in the evening before bedtime.

Nutrimoor

Slow down the aging process and revive youthful energy. Many have felt a difference in as little as a week's time.

Healthy Cleanse

21 Day Cleanse. Cleans and support the digestive system function, supports urinal system function, supports circulatory system function. Helps clean out the colon.

An analysis of Golden Moor® ingredients indicates that the mud contains 34% Humic Acid and a truly unique collection of plant trace-elements and organic substances such as oils, amino acids, resins, phyto-hormones, vitamins, enzymes and natural antibiotics, which are all in the most natural balance.
